Lil Smith
Jubilee Plantation Catering

Dear Lil,

I truly appreciate the hard work that went in to catering both our Business After Hours event and our Christmas Party.

I wasn't entirely sure what approach to take with the food and décor since we were trying to please so many people at one time. Your recommendations and insight were truly invaluable to helping make the occasion memorable to those who attended.

For Business After Hours, the décor was exactly what we wanted and you managed to create a large spread while maintaining that intimate feel we were looking for. The food was great and exactly like we discussed. We received numerous compliments on the food, especially the chocolate fondue! I was very pleased with the food and with the professional demeanor your staff conducted themselves with.

The Christmas party would not have been a success without your tireless efforts and it did not go unnoticed. Trying to figure out something that was not traditional but was still appetizing and stayed with the spirit of Christmas I feared would be quite a challenge, but your ideas were a tremendous help and eased the pressure I felt surrounding the event. Again, from the décor to the food, everything was delicious, presented well, and well received by everyone.

I would highly recommend your food and services, especially to anyone that has a vague idea of what they would like but really needs a professional to help bring it all together. I look forward to working with you in the future and want to commend you on a job well done!

Sincerely,

Kandi Lowe,
