Jubilee Plantation

Dear Barbara,

I want to thank you again for the fine service you and your team did for us at the Champions for Life banquet in Nashville several weeks ago.

I know having the banquet at Christ church was difficult for you, but your team took it in stride making it look planned that way. They did an exceptional job serving all 350 guests, along with our staff in a timely manner. The food was hot and delicious. The staff you brought were courteous and efficient.

Please feel free to use us as a reference for future events should you need a testimonial of a satisfied customer of your commitment to service and quality.

Sincerely,  
Harold Willman
