Dear Lil,

On behalf of all of us at the United Way of the Greater Clarksville Region, please accept our sincere appreciation for the wonderful lunch you prepared for our Special Events Team Meeting. Our purpose for this lunch was to show our volunteers how much we appreciate their hard work and dedication to the United Way of the Greater Clarksville Region.

We value our volunteers, and it is apparent to us that you value your service and clients just as much. You and your assistant provided a delicious lunch and wonderful service, and enabled us to thank our volunteers in a most appropriate manner.

Please know how much we appreciate your prompt, courteous, and professional service. We hope to do business with you again in the future.

Sincerely,

Lorraine Pratt and
